It is possible to add information automatically in columns, tables and words. Entirely unprovable. How do I add a banner without a title? How do I remove our banner and title? Need help removing our banner. The title part I can do. Resize Table Columns Insert blank row in table Insert blank line in horizontal table A: Good news is that in the version you mentioned there has been introduced a new feature since RS9 - the ContentBlocks. With these blocks you can put photos, videos, links, etc. as well as building objects and groups into pages. Just drag and drop them in the Pages view and they will be nested just like sheets. However, these

ContentBlocks are more useful with shape blocks - having a single image block as you see in the screenshot will always look flat. Wednesday, March 3, 2011 Bob's Donna and her family moved out of her parents' home and into a new home. She was very excited. She did not have much to do this first week. Her mama would not let her go anywhere without her. We left on Friday afternoon for Cottonwood Falls. We had been to Cottonwood Falls 3 times before, but this was the first time I was driving Donna to her grandmother's house. We left her at about 8:00am. She wouldn't have been able to do the ride if she had been on her own. She was very excited

to be going on her first trip on the Plains Clipper. By the time we left Cottonwood Falls and hit the home stretch to Bob's the 1st time, I was getting really tired. We took the 42 loop. Donna was so excited that she became a little fussy about stopping. She wanted to stop every time, even when we were almost to Bob's house. I was getting discouraged. As we pulled up I saw 3 real estate signs. I took a deep breath and told myself I was just going to roll with it. Donna was not fussy anymore. When we got to the door the father opened the door and hugged her. We entered the house. My first meeting was with Donna's father. He and I sat in the living room and

talked. It was nice. It was about 3:00pm, time to go for our next ride. We went for one more round at the outlet. If you have never been to Bob's, it is not worth the trip unless you are with friends.
