[1] Download Berlin-Tegel Professional v1.00.Does this picture strike you as incredible, or what? On one hand, it's the type of thing that could be pushed by the Jewish president of Israel into becoming an international incident — which might bring out for the first time in the West a significant degree of public support for the Palestinians in Israel. On the other hand, how could any Christian (except possibly a minor Lebanese Catholic named Pierre Gemayel) be so deceived by a blood-drinking, sex-crazed, fraudulent deity? But, of course, this is Michael@vozmacht. And he has the advantage of being able to say about this: "We have the message. Here's the proof. Save your holy faith and your whole church." How should we respond?Q: Rotate rows in mysql database into columns I want to write a query to format rows to columns tb name col1 col2 col3 col4 tb1 data1 data2 data3
