You are a middle-aged man with a dark past. The Daughter of the Mistress is now an aging noblewoman, but still one of the most influential people in the country, meeting the needs of countless people with her intellect and charisma. She assigns you as the bodyguard of the young Lady, a famous singer. From the age of nineteen, she has suffered from mysterious nightmares. When a certain incident occurs, she enters a coma. Four years later, she returns to conscious life, but the Lady is nowhere to be found. In the middle of the night, she sees a spirit in the form of a young man. He has the same name as you, and when he calls the name "Tarnished", the two of you somehow become a single being. You, possessing a dead soul, have invaded this world to seek vengeance against that being. However, the half-man, half-wolf, which is to protect the Lady, is already in this world. While you seek your revenge, the delicate situation between the two of you gradually draws us to a certain point, in the modern and beautiful story of Tarnished Rise of Elden.

We are announcing that our closed beta test has ended on April 17. Now it is time for the official beta test to begin on April 28. We are going to receive review feedback and take measures to correct any issues during the closed beta, including changes and improvements to the main menu, models, weapons and the like as well as the addition of a new preview feature.

To participate in the beta test, open a newly created Elden Lord character, and log into the game through Chrome's beta test site.

On April 28, the beta test will be opened to all members of the Elden Ring in the English version. In addition to the test period, we hope you will join us in welcoming the official launch.

Thank you for your support!
