Out of the chaos of a bloody conflict, a young red lioness is born. Guided by the will of the heavens, she grows up with the force of a tiger, protects the weak, and shows no mercy towards the wicked. During the passing of time, she grew into a young ruler, unshakable in her resolve and vision. The only trouble she had was that she was the lone ruler. When her people were attacked by the merciless Guang Zhong, the Great Sage, her most trusted advisor, placed the Great Sage and their people on the back burner as she assembled the famous Monkey Army. A devastating attack against their enemies was, however, soon to follow. This is where Monkey King: Hero Is Back, a cinematic game, comes in. With its spectacular graphics, dramatic action scenes and breath-taking choreography, you will be transported into a film. Play through the dramatic opening events of MONKEY KING: HERO IS BACK for yourself as Sun Wukong and the Eastern Gods wage a fierce battle in the heavens in cinematic action game form! This

content takes place 500 years prior to the events of the main game before the Great Sage's powers had been sealed as he faces the gods all by himself to protect his freedom and dignity in a series of fights filled with flashy action and exciting choreography ripped straight out of a kung fu film! Please Note: This item is also available in the season pass, make sure you don't purchase twice. WHAT'S NEW: Story: Monkey King: Hero Is Back will contain three cinematic episodes, each with its own story, gameplay, cutscenes and art style. Basics: Added additional trading cards for players to collect to complete the Monkey King progression tree. GAMEPLAY: Easy to start, difficult to advance. Experience a different gameplay for every difficulty. Enemies in the new difficulty mode will be more difficult to defeat and require more skill to overcome. Monkey King's Chain: The popular Monkey King's Chain gameplay is back in Monkey King: Hero Is Back! Players will be able to use Wukong's 'Hardcore Chain' mode to chain multiple attacks on enemies. POWER UP: Addictive gameplay and more cinematic

need to adjust your strategy if you're to win every battle. 8/10 Play 163 / Sudden Strike 3: Set in the golden age of warfare, Sudden Strike 3 will pit you against your friends and foes on the battlefield. Its realistic features make you feel like you're really there, and the game's focus on strategy is some of the most interesting in the genre. 8/10 Play 163 / Sudden Strike 2: Get ready to experience the full real-time simulation of World War II. It has more than enough features to keep you occupied for quite a while. Sudden Strike 2 is a classic strategy and war simulator and will provide hours of great battles to its players. 88 / 100 Game Oasis Tested as early as 2001, Sudden Strike is a Real Time Strategy (RTS) game that lets you face real-life scenarios, such as wars in World War II. It can also be a very fun and easy strategy game to play online or offline. 99 / 100 IGN Though the review code was provided by a beta Tester, I was impressed by the game's great graphics and exciting single-player. But what's really made Sudden Strike so appealing is that it's easier than you might think to get into. You'll find the mechanics are familiar

### **What's new in Rings Of Hell:**

**(D&D 5th Edition) by Kittycats Volo's Guide to Monsters includes over 70 new monsters. From the book: "Guidance is needed on how to play and defeat this army of monsters, and the only action referred to in the Monster Manual occurred centuries ago, when they appear briefly in the Ancient Plague. In fact, it was not until the fifth edition of Dungeons and Dragons that the city of Kvatch once again raised the alarm, warning of strange creatures in these lands. All the city's monsters have fled, except for a lone ranger who has come to be known as the Barmok Captain. Few adventurers stop to lend a hand or ask where the monsters may be found. Some will**

have heard rumors of Rathathel the Living Castle, which has taken up residence somewhere near The Ruins of Vedir. Scholars have attempted to piece together clues from stories and legends. One thing is certain: this is not the game you have played before." Once again Volo's Guide to Monsters brings many of the classic CR 0,1,2 creatures into 5th edition. It updates the 5th edition monsters to the new monster descriptions from Monster Manual 3 as well as adds some CR 2,3,4 and CR 5 creatures from Monster Manual 3. In order to accompany you on your adventures, we'll walk you through the best CR 0,1,2,3,4,5 monsters to use in your campaign and provide some advice on how to defeat them (or, if you prefer, how to sneak past them). Each entry includes the CR, Monster Stats, Hit Dice, Size, Armor Class, Attacks, Hit Points, Saving Throw Bonus, Special Attacks, Damage, Damage Scale, Strategy, Treasure and AC. Prelude: Volo's Guide to Monsters will be detailed out over the next several weeks, but since it includes new monsters it will come in sets with Monster Manual 3. Thus, all the statistics for Volo's Guide to Monsters will be listed for each Monster. So please keep that in mind as you spend your time reviewing the monster stat charts in Volo's Guide to Monsters.
